The Respondents Anthony Martini and Annette Martini file this MOTION -  
**MOTION TO DENY HEARING COURT TAPES AND READING  
TRANSCRIPTS AND MOTION TO GIVE TAPES AND TRANSCRIPTS TO  
THE F.B.I. TO INVESTIGATE CRIMINALLY ALTERED TAPES AND  
TRANSCRIPTS.**

The Respondents Make this Motion in Support of their “Brief and Response From  
Respondents.”

The Respondents Anthony Martini and Annette Martini are demanding that the  
B.I.A. – the “BOARD” rejects hearing the Court Tapes that was supplied by either  
the “IJ” Judge Rodin Rooyani or by DHS for the reasons that the Respondents  
have read the entire lengthy Transcripts from February 15, 2007 to Monday, May  
26, 2010 and the Respondents have noticed that all tapes have been extremely  
Criminally Edited by either the previous “IJ” Judge William Joseph Martin Jr., or  
by the DHS Government Attorneys or by both.

The Respondents noticed that someone from DHS or the “IJ” have cut and pasted conversations from one court to another court.

Over 90% of what the Respondents said in Court all appears inaudible.

Both of the Respondents speak English and English as a first Language. Both Respondents spoke crystal clear in Court and spoke up but the majority of what the Respondents said in Court was all removed.

The Respondents also noticed that the entire Court Tapes were edited from 2007-2010 including the May 26, 2010 Court before “IJ” Judge Rodin Rooyani.

The Respondents noticed that many conversations were taken out of the May 26, 2010 Court Appearance including DHS Government Attorney Ingrid Abrash that admitted that the Department and DHS does NOT have any proof to the Charges against both of the Respondents.

This is not the first time that the Respondents accused the previous “IJ” Judge William Joseph Martin Jr., for obstructing Justice and editing the tapes. The

Respondents mentioned this on their first Appeal to the BIA on Tuesday, June 5th., 2007 of which the BOARD Demanded Money from the Respondents and stole money from the Respondents and then sent an ORDER that it was NOT the Board's Jurisdiction but the BOARD did NOT return the Respondents Money.

Furthermore, the Respondents stated that the former "IJ" Judge William Joseph Martin Jr., criminally edited the court tapes in their lawsuit against William Joseph Martin Jr., and the Respondents also filed a Lawsuit against others for Conspiracy to Commit Murder. That Case was docketed at the U.S. District Court in Santa Ana, California on August 7, 2009 bearing Case Number SACV09-906 AG (ANx).

The Respondents Anthony Martini and Annette Martini are also accusing "IJ" Judge Rodin Rooyani of editing the Court Tapes along with the Transcriber Angelina Becerra from Deposition Services Inc., that was paid by either DHS, the BOARD or the D.O.J. to edit and alter the Transcripts.

The Respondents are also demanding Disciplinary Actions including Dismissal of All Government Attorneys taken by the Board against all Government Attorneys that appeared before the Respondents including Ingrid Heather Abrash, Megan

Mullane, Debra Workeneh and James S. Stolley and Judge Rodin Rooyani and any other Government Employees that were involved with Persecuting and Torturing the Respondents Anthony Martini and Annette Martini.

Furthermore, since the Respondents Anthony Martini and Annette Martini has raised serious allegations against Government Employees editing Transcripts and Criminally editing Court tapes the Respondents are demanding that all Court Tapes in the possession of the BOARD be immediately given to the F.B.I. – Federal Bureau of Investigation to analyze and do forensic on all Court Tapes to determine which Government Employee edited all tapes.

The Respondents have a Legal Right to Demand that all tapes be given to the F.B.I.

If the BOARD does not GRANT this Motion in Full then the BOARD will be held criminally liable for participating in the cover up of Court Tapes.

## CONCLUSION

The BOARD must exclude all Court Tapes and all Transcripts from their decision because the Respondents have raised serious issues with respect to the Transcripts and Court Tapes that have been Criminally Altered and criminally edited by United States Government Employees. (See “Brief and Response from the Respondents” in support of this Motion.)

The Respondents Anthony Martini and Annette Martini will be holding President Barack H. Obama, Secretary of State Hillary R. Clinton, Attorney General Eric H. Holder Jr., Secretary of U.S. Homeland Security Janet Napolitano, Chief Immigration Judge Brian M. O’Leary and the BOARD Members personally accountable for the Illegal Actions of former IJ Judge William Joseph Martin Jr., Ingrid Heather Abrash, Megan Alice Berry Oshiro, Edward Lepkowitz, James Michael Left, John W. The Respondents are demanding that the BOARD sides with the Respondents and protect the little integrity that is left of the Immigration Courts and the Board and rule in favor of the Respondents.

**The Respondents are demanding proof that the BOARD gave the tapes to the F.B.I. to conduct a Criminal Investigation.**
